Services Offered

DECD Special Services
If you are concerned about any aspect of your child’s development (speech, behaviour, health etc) please speak to the staff. DECD have special programmes which offer support for children, parents and staff. We will discuss any concerns in confidence.

Bilingual / Integration Staff
Where funding is available DECD is able to provide extra staff for families who have English as a second language and for children who require help and additional adult support within the kindergarten environment. You may see extra staff in a part-time capacity at the centre.
Absences & Attendance

Regular attendance at kindy is beneficial to your child and it is therefore important for us to know if your child is to be away for any reason.

Staffing is based on *actual attendance*, and *not* the number of children enrolled.

**Accidents**

If your child has had a minor accident, we will record the details in the accident book and a copy will be placed in your child’s name box.

If the accident is more serious, we will endeavour to contact you immediately, and if not successful, we will ring your child’s listed alternative contacts.

Administration of Medication

Medication e.g. ventolin inhalers can only be administered when the relevant consent form has been completed. Please discuss medical requirements for your child with the Director.

Please be aware that medications of any type must not be left in your child’s bag.

Kindy Program

Our program is displayed on the board inside. We encourage you to read this so you will know what is happening in the centre and can talk with your child about past and upcoming events.

Programming and Reporting

Staff program and report using the EARLY YEARS LEARNING FRAMEWORK. From our observations of each child, and the Child Profile you fill out (and return), we plan for group and individual needs. Parents are encouraged to share information with the staff about their child at any time.

During the child’s first term, staff develop an Individual Learning Plan specific to your child and you will be offered the opportunity to speak to the Director or Teacher to discuss your child’s progress.

You will receive a written report in your child’s second and fourth term of kindy.

Celebrations

We celebrate children’s birthday by singing ‘Happy Birthday’ with a pretend birthday cake. This is because of our healthy eating policy.

Please let us know if for any reason (e.g. religious, personal, health, diet etc) your child is not to take part in special events which occasionally occur at kindy.
Governing Council

The Annual General Meeting is held at the beginning of term 1 each year.

The Kindergarten has a Governing Council made up of parents, staff and interested community members. This is a great opportunity to have a say in your child’s education.

Meetings are held twice a term, and any parent can attend as an observer, ask questions, or offer opinions.

Responsibilities include fundraising, decision making, social events and general maintenance of the kindergarten.

Please see a staff member if you are interested in making a contribution to this centre.

PARENT PARTICIPATION

Parents are always welcome and encouraged to be involved within the Kindergarten. Assistance in the centre can be given in a variety of ways, some of which include being part of the Governing Council, reading stories, cooking with the children, preparing materials for activities, sharing a special talent e.g. music, dance, assisting in fundraising events, gardening, and excursions.
